

# ROSE HILL

E + S + T + A + T + E

Visit Rose Hill to experience the charm of Aiken's most originally preserved "Winter Colony" estate, and the first in Aiken listed on the National Historic Register. The intact property is a turn-of-the-century expression of Old Aiken Gardens and Gilded Age Architecture secluded beyond massive hand-forged iron gates and a wall surrounding the city block.

Your Aiken Adventure starts with a comfortable chauffeured stretch limousine or bus driving you downtown to Rose Hill Estate- a Unique Regional Attraction. Stretch your legs if you like with a pleasant 8-block round-trip walking/shopping excursion. Meet back at the Estate Main House for a personable wine & cheese reception. You'll hear an historic overview of the estate as you soak in the Clubroom's special ambience with its large fireplace, leather chairs, wood paneling and diamond leaded windows. Walk through the gardens, then meet excellent local service providers in the Conference Center. Regroup in your luxuriously well-appointed bedroom before 7:00pm dinner. Then set yourself at ease for a relaxing joyful evening of conversation and music in our acclaimed restaurant inside of the lovingly restored turn-of-the-century horse stable. A full and fresh breakfast awaits you at 8:00am to prepare you for an interesting guided tour of the City. Then it's time to head back home with your fond memories and our thanks and well-wishes!

\*all-inclusive price of \$189.00 each based on double occupancy (5 couple minimum)
